MISSION STATEMENT
To celebrate and support people with Down syndrome and their families and to educate ourselves and others throughout Central and Eastern Kentucky.
We did it! We did it! Thanks to the hard work of so many over the past few months, we not only met our Fall Family Fun Day and Walk goal, we surpassed it. Together, we raised a whopping $166,696! Meeting our fund-raising goal means we will be fully funded for 2019. And being fully funded means we can continue to offer all the free events and life-changing programs we offer to individuals with Down syndrome and their families. This includes our Learning Program, Summer Enrichment Program, Strider Bike Camp, Coffee Chats, Healthy Movement class, College Bound classes, pumpkin patch visit and holiday luncheons... the list is getting too extensive to mention everything.

However, with as much as we currently offer, there is so much more we can be doing to ensure the best future yet for people with Down syndrome. We can’t allow ourselves the luxury of getting too comfortable, as time keeps marching on. Every program, every dinner, every social activity, every advocacy outreach meeting has a price tag.

Now is not the time to relax our fund-raising efforts. We run all of these programs and events with very little staff and keep overhead expenses to the bare minimum. Before we can expand programming, increase our advocacy efforts and build stronger relationships within our community, we have to have a strong financial foundation. Our walk and gala bring in much needed resources in bulk, but what we are lacking is a steady stream of donations to help us plan programming and services better.

The good news is we have the platform in place to do this through our Club 21 monthly donation program. If every family gives as little as $5/month, that’s a base of about $12,000 in which to build our financial foundation.

Now, imagine, if every family asks grandparents, aunts/uncles, older siblings and friends to give just $5/month, we can easily double that to $24,000. We can count on that money to help us maintain our operations and grow from there.

With a little monthly donation of just $5/month, we can easily double that to $24,000. We can count on that money to help us maintain our operations and grow from there. Don’t have $5/month to give? Don’t worry, you can still help us grow through Club 21’s monthly donation program. In addition to fundraisers that can ebb and flow in revenues, we count on that money year-to-year to give us stability in addition to fundraisers that can ebb and flow in revenues.

Remember, too, that the money donated from your family through Club 21 can be credited to your walk team, so it’s an easy, easy way to build your team all year long. Win-Win for everyone!

You’ll be hearing more about Club 21 over the next few months. To find out more, go to www.dsack.networkforgood.com. It really takes about five minutes to get registered.

Now is a great time to talk to friends and family about donating, too. How about nobody gets pie at Thanksgiving until you sign up for Club 21? Too pushy?! Seriously, asking a grandparent or relative to give to this platform during the holiday season is a great timing. You may even find they would love to give all year long instead of writing a big check yearly.

Thank you again to each and everyone of you who worked hard to ensure we exceeded our goal at the Fall Family Fun Day and Walk! What a great tribe we have at DSACK! I can’t wait to see how we grow!
2018 Fall Family Fun Day & Walk Facts

- **78 teams**
- **1,983 walkers**
- **80 volunteers**
- **$166,696 raised** (as of 10/14/18) to help grow DSACK programs and services
- **33 teams were on the t-shirt** for meeting the deadline to raise $1,000

Thank you to all the teams participating in the 2018 Walk for Down Syndrome!

Champion ($5,000+)
